WESTWEEK 2017  
**LOOKBOOK**

# WELCOME.

Pacific Design Center's WESTWEEK **ICONS + INNOVATORS** theme celebrates today's seminal standard bearers and ground breaking influencers leading the design industry ever-forward, with presentations featuring top talent who both embody and deliberate on what it means to be iconic and innovative in the design world now. Holding true to the theme, the PDC showrooms' Spring Collections prove to set the trends for the season. From innovative lighting to one-of-a-kind fabrics, our showrooms are sure to have the perfect product for the design icon in you!

# SEATING

The furnishings you choose to complete a room serve as an expression of your unique sense of style. From a modern sectional to a traditional tufted sofa to the fabrics tailored to adorn each piece, these elements define not only a particular aesthetic but your own individual personality and design point-of-view.

## HOLLY HUNT

### HOLLY HUNT OUTDOOR Collection

HOLLY HUNT Los Angeles brings elegance to outdoor living. Evoking the broad wingspan of its namesake, the Manta Ray Daybed is an expression of relaxed grandeur. It offers depth for groups to recline, while retaining an airy sense of lightness through a sleek and meticulously engineered base frame. **Suite B377/B619,** [hollyhunt.com](https://hollyhunt.com)

#### CINEMATECH HOME THEATER

CinemaTech launches a new showroom at PDC showcasing their newest models including motorized sofa sectionals with motorized headrests and dedicated theater seating in nine different styles. All of CinemaTech's seating are made-to-order, custom pieces that are hand-crafted in Germany or the US, with hundreds of leathers and fabrics to choose from as well as the ability to use a COM/COL. **Suite M26, mycinematech.com**

#### EBANISTA

Featuring equal parts of elegance and glamour, Ebanista's new Marchese Sofa includes a tufted curved back, reeded base and decorative legs. Shown in antiqued gold finish and with Ebanista's Chantal Sepia ribbed silk upholstery. As seen in *Architectural Digest* and *Veranda* magazines. **Suite G190, ebanista.com**

#### HOLLY HUNT

HOLLY HUNT Los Angeles is proud to present Vladimir Kagan's Classic Collection. Vladimir Kagan was a long-time friend and inspiration to Holly. The new installation of Kagan's most iconic designs includes the Freeform Curved Sofa, Sculpted Coffee Table, Barrel Chair and Contour Low Back Lounge Chair with Foot Stool. **Suite B377/B619, hollyhunt.com**

#### A. RUDIN

Los Angeles-based A. Rudin continues to expand its repertoire with the introduction of a dozen new designs, including the casual and timeless 788 Barrel Chair. The detailing allows it to fit into a multitude of aesthetics, from a clean tailored look to a relaxed California style. The subtle details of deep wire scrubbed oak and carefully placed white gold leaf accents allow the chair to shine in any setting. Made of cerused oak, brushed stainless steel, white gold leaf and A. Rudin fabrics. **Suite G172, arudin.com**

## TIDELLI OUTDOOR LIVING

Tidelli Sailor Lounge Chair is a 2017 Brazilian design that is beautifully woven in nautical rope. The open pattern similar to a sailor's net is what makes this design a unique piece. Designed by Luciano Mandelli, the piece was created with three of Tidelli's strongest characteristics: ergonomic design, use of the nautical rope, and durability. The chair is handmade in a high grade welded aluminum, powder coating painting, finished with any of 52 different nautical rope colors. **Suite B116, [tidelli.com](http://tidelli.com)**

## KRAVET

Presenting a modern perspective for Kravet Couture's array of textured fabrics, the new Luxury Textures Collection offers stunning options from subtle to sculptural designs. Lofty chenilles, luxurious velvets and innovative wovens are showcased in two striking books: Steel and Stone. Throughout the collection, small-scale patterns, refined geometrics along with exclusively designed jacquard velvets layer beautifully with the more subtle fabrics for a sumptuously textured and sophisticated look. **Suite B624, [kravet.com](http://kravet.com)**

## BAKER FURNITURE

Barbara Barry's new line for McGuire furniture is inspired by her recent purchase and remodeling of her new home in Ojai, California. Contemporary form meets natural luxury with the Thatcher Sectional, designed to be configured in myriad ways. Each clean-lined body can be built with an open or closed arm design allowing for configuration as a sofa or sectional. A new, modern profile for McGuire, this sofa is grounded yet sublime. The hardwood maple frame accentuated by a square caning interior and exterior, for structural and material interest. **Suite B525, [bakerfurniture.com](http://bakerfurniture.com)**

## SUMMIT FURNITURE

The Mod Squad Collection was conceived by Los Angeles-based designer Alwy Visschedyk for Summit. L.A. Mod's sculptural, three-piece collection features a 28" front lounge chair, a 36" front lounge chair, and a coffee/occasional table. Feeling indecisive? Mix and match with four possible artful configurations. **Suite B135, [summitfurniture.com](http://summitfurniture.com)**

## DEDON

DEDON's first fully upholstered collection, BRXXX by Lorenza Bozzoli, offers amazing versatility and 360° functionality. Simple yet sophisticated, natural yet refined, this flexible system of rectangular modules fully lives up to the playfulness of its name, allowing you to construct islands of luxurious comfort both indoors and outdoors. Accessible from all sides, the collection brings people together for a new way of relaxation and social interaction.

**Suite B188, [dedon.us](https://www.dedon.us)**

# WALLS

No matter the scale of your design project, PDC showrooms offer a variety of wallcoverings to elevate the sophistication of every interior. From prints to patterns to the increasing popularity of metallics, we have an incomparable selection of materials and styles to personalize any wall.

## INNOVATIONS

### SANGRIA Collection

The Spring 2017 collection from Innovations brings a hyper-focus on art to the wall. The Design Studio poured their passion into the ten wallcoverings, like Watercolor, whose vivid brushstrokes explore the vertical movement of water and paint. A tremendous amount of color, digitally rendered, goes into each of the eight colorways. Experience the complete art-inspired collection, available now, in the Innovations showroom. **Suite M20,** [innovationsusa.com](http://innovationsusa.com)

#### PHILLIP JEFFRIES ▲

Taking inspiration from your beach oasis, a place where you go to escape ... elements of coastal textures, airy fabrics and chic naturals inspire. From Cape Cod to Cannes ... Phillip Jeffries' Spring 2017 Collection embodies its namesake - COASTLINES. **Suite B619, [phillipjeffries.com](http://phillipjeffries.com)**

#### STARK FABRIC, WALLCOVERING & FURNITURE ►

From the award winning designer, Nicolette Mayer, Stark's newest collection of fabric and wallcovering provides a modern approach to ancient traditions and artifacts. From the beauty of nature, to hand-painted wallpaper panels, to the fine weave of boucle fabrics, the Agate design (pictured here) was inspired by the organic beauty of crystallized rock providing a richness, depth, and wild mix of color; brought on by combining the right minerals, gravity, and time. **Suite B617, [starkcarpet.com](http://starkcarpet.com)**

# FLOORING

You'll be "floored" by the myriad of options our showrooms offer for your flooring needs. If you're installing premium hardwoods throughout a client project or simply accenting a single room with a hand-woven bespoke carpet, PDC provides an exhaustive offering of surfacing resources.

## SCOTT GROUP STUDIO

### ISTORII Collection

Scott Group Studio introduces Istorii: A Larry Hokanson Collection. This collection celebrates industry pioneer in rug design Larry Hokanson. His lifetime exploration and understanding the importance of art and global culture combined with his intense passion for Russian history are captured in Istorii. Istorii, meaning stories in Russian, reveals Larry's life journey articulated through eight expressive patterns and vibrant hues.

**Suite B613, [scottgroupstudio.com](http://scottgroupstudio.com)**

#### LAPCHI RUG DESIGN STUDIO ▲

Battilossi for Lapchi; hand-woven rugs designed in Italy. Maurizio Battilossi has both designed and commissioned rugs for the European market since 1994. His newest collaborations with Lapchi include the Linea rugs, woven in the Berber tradition with distinctly Battilossi finishes, the Draga Obradovic Pattern Mix textiles and a range of colorful Eclectica rugs which can be customized. **Suite G176, [lapchi.com](https://lapchi.com)**

#### PERFEC HARDWOOD FLOORS ◀

Step into the PERFEC showroom and find more than 100 hardwood floors on display from around the world. Exclusive finishes from Italy, Holland, Belgium, UK, and local Los Angeles artisans on a variety of plank platforms and grades. Besides floorings, there are a few unique collections of outdoor wood and wall wood. PERFEC also specializes in custom staircases, whether standard wall-to-wall, boxed, pie, or floated treads, just to name a few to fit any projects. **Suite G299, [perfec.us](https://perfec.us)**

# TABLES & CHAIRS

PDC showrooms bring much to the table where dining, coffee and accent pieces are concerned. Complemented by seating options of both scale or style, we help create a dining experience perfect for casual gatherings or formal affairs.

## THOMAS LAVIN

The Thomas Lavin Showroom is pleased to add Troscan to its select roster of high-end home furnishings purveyors. Hand-crafted in Chicago by husband-and-wife duo Deirdre Jordan, interior architect, and trained furniture designer Bob Robinson, Troscan aims to create authentically original furnishings. Committed to unadorned simplicity, Troscan's collection of seating, tables and casegoods are produced with an eye for minimizing adverse effects on the environment.

Suite B309/B310, [thomaslavin.com](http://thomaslavin.com)

#### JANUS ET CIE

JANUS et Cie introduces Katachi, named for the Japanese concept that combines kata, meaning form, and chi, meaning magic. "Katachi is for lovers of craftsmanship. The meticulous construction yields graceful designs that are magical, ergonomic masterpieces," says Janice Feldman, JANUS et Cie founder and collection designer. Katachi features four new, variegated JANUSfiber hues for an enchanting effect outdoors.

**Suite B146/B193, [janusetcie.com](http://janusetcie.com)**

#### BAUSMAN & COMPANY

Bausman & Company introduces the new Signature Collection 5533 Sedna Console Table. The Signature Collection comprises unique designs with a contemporary aesthetic combining multiple materials that are destined to inspire. All pieces are crafted locally and available in a variety of finishes and custom sizes. Three unique Console Tables start the collection off with more new designs to be presented regularly in the expanded Bausman & Company showroom.

**Suite B396, [bausmanandcompany.com](http://bausmanandcompany.com)**

#### VONDOM

After the success of the Africa Chair, Vondom and Eugeni Quitllet round out the Africa Collection by taking it to new heights ... a bar and counter stool. Quitllet is the recently awarded Designer of the Year 2016 by Maison & Objet. Stackable and available in 7 colors, the Africa Stool is simply versatile. Indoor/outdoor use; in stock. **Suite B114, [vondom.com](http://vondom.com)**

#### A. RUDIN

Introducing Matsuoka. A. Rudin is pleased to welcome Matsuoka Furniture to its Los Angeles showroom. In 1866, on the Japanese island of Honshu, the Matsuoka family began producing exceptional furniture. And for the succeeding 150 years, Matsuoka's reputation for excellence has continued to showcase their craft superbly with fine quality while retaining many of the ancient artisanal skills. **Suite G172, [arudin.com](http://arudin.com)**

# FABRICS

Texture, color, prints and patterns, choosing and blending the right fabrics are of the utmost importance when designing a chic, well-appointed space. Whether you're upholstering a vintage sofa or searching for the finest window treatments, our showrooms will guide you in selecting the best fabrics to showcase the beauty of your home.

## HOLLY HUNT

### FRESH AIR Collection

This season brings a breath of fresh air with a focus on materiality and innovative new textures from Great Outdoors Textiles for HOLLY HUNT. Deep icy blues, plums and luminous yellows float among a new range of crisp, clean whites in The Fresh Air Collection. Visit our new 6th Floor showroom to see all that is new from HOLLY HUNT Textiles. **Suite B377/B619, [hollyhunt.com](https://hollyhunt.com)**

#### DURALEE/HC MONOGRAM ▲

Duralee/HC Monogram is passing the traditional torch to this season's new Whitmore Collection. This three-color book set of wovens with a coordinating book of prints has been designed to offer modern variations on traditional design classics. Neutrals in warmer tones, rich reds and timeless blues are offered up in this first volume of elegant, tasteful textiles for the home. **B601, [duralee.com](https://www.duralee.com)**

#### DONGHIA ▶

Donghia captures the essence of New York City in its 2017 collection, Manhattan Muse. Visionary designs expressed through embroidered, woven, printed and hand-painted goods evoke the world's great city of dreams. The nearly 200 offerings convey the energy, art, drama, music and unique lifestyles of this iconic locale; birthplace of the Donghia brand. Taken all together, the collection's myriad offerings and diverse range of qualities enable the designer to create the sophisticated, dazzling, yet livable penthouse look ... in any space. **Suite G196, [donghia.com](https://www.donghia.com)**

**ROBERT ALLEN** ▶

Robert Allen celebrates the joy of travel with Wanderlust, an indoor/outdoor collection produced with 100% Sunbrella acrylic fabric. Inspired by the colors and patterns found in bold African textiles, intricate woven baskets and vivid kilim rugs, designs include large-scale multicolor ikat patterns, mid-scale jacquards in organic geometrics and textural solids. **Suite B499, robertallendesign.com**

**PINDLER** ▶

Pindler is excited to continue telling the story of William Randolph Hearst's passion for all things beautiful with the new additions to the Hearst Castle™ Collection. This collection is a beautiful assortment of designs with the timeless elegance and lavishness of the Hearst Castle™. This exclusive collection includes 59 SKU's and is a fabulous grouping of linen embroidery, applique, velvet and chenille patterns constructed in the finest fibers and woven all over the world. **Suite B530, pindler.com**

**ROBERT ALLEN** ▶

Rich. Earthen. Sumptuous. The new Color Library Collection from Robert Allen brings home the colors, moods and textures of nomadic cultures. From the Atlas Mountains of Morocco to the Tibetan plateau and the prairies of the Great Plains, the spirit of the nomad is embodied in a pure palette of rich pigments. Rooted in onyx, carob, denim and cement, it's a color story that draws from artisanal wares and traditional dress found amid these sparse locales. **Suite B499, robertallendesign.com**

**RAOUL TEXTILES** ▼

Raoul Textiles' new Blooms & Berries Collection is a lived-in, literary mix of patterns, inspired by the artistic disorder of a Bloomsbury drawing room. The collection blends eclectic florals and small-scale motifs, in a range of rich, chalky colors. The prints complement the newest furniture from Engle & Deutch. **Suite G160, raoultextiles.com**

## OSBORNE & LITTLE ▶

Inspired by the intense pigments and shades found in Majolica ware, Designers Guild's new Majolica Collection combines extraordinary contemporary florals, in various scales, with classic damasks and marbled textures. **Suite B643, [osborneandlittle.com](http://osborneandlittle.com)**

## FABRICUT ▼

Stroheim and Dana Gibson collaborate this season with Crypton Home for a luxury performance upholstery collection. Featuring 26 playful patterns and textures in Dana's signature color combinations, these fabrics are engineered with Crypton technology creating heavy-duty durable, stain resistant fabrics that are also luxuriously soft, rich and beautiful; family-friendly and perfectly suited for everyday living. See and feel for yourself why Dana Gibson Crypton Home is the ultimate performance fabric collection for your luxurious interiors! **Suite B470, [fabricut.com](http://fabricut.com)**

## FABRICUT ◀

S. Harris extends its brand offering with its first accessories collection, Cover. Featuring eleven luxurious and beautifully woven Italian cashmere throws, Cover's bouclé textures, solid ombrés, stripes, and distinctive contemporary patterns will complement, accessorize and bring warmth to interior spaces. Wrap up in one today in the Fabricut showroom! **Suite B470, fabricut.com**

## MAHARAM ▶

Mingled Plaid by Paul Smith reinterprets traditional features of a plaid—such as a rectilinear pattern, worsted wool yarn, and a twill construction—through scale and color. An asymmetrical sequence of dotted stripes is perpendicularly arranged to form a loose windowpane plaid of intermingling lines. Woven in Scotland, Mingled Plaid by Paul Smith has a smooth hand and slight sheen. Each color features a neutral ground accented by multiple, bright intersecting stripes. **Suite G152, maharam.com**

## KRAVET

Presenting a modern perspective for Kravet Couture's array of textured fabrics, the new Luxury Textures Collection offers stunning options from subtle to sculptural designs. Lofty chenilles, luxurious velvets, and innovative wovens are showcased in two striking books: Steel and Stone. The contemporary, clean-lined and current designs draw inspiration from high-style, 1970s style seen on this season's runways from the most exclusive luxury fashion brands. **Suite B624, kravet.com**

#### INTERNATIONAL DOWN & LINEN

Introducing Alicia Adams Alpaca. There's no easier way to refresh a room than to add a splash of vibrant color in the form of a lush throw. Alicia Adams offers these stunning Alpaca fringed throws in over 80 variations. Why not consider this naturally soft, yet durable, alternative to cashmere? Quick ship program available. **Suite B368, [internationaldownandlinen.com](http://internationaldownandlinen.com)**

#### EDELMAN LEATHER

From the grassy hillsides in Western Europe, an idyllic life lived. Ranger reminds us of when we first fell for leather. A material that is both rugged and refined; one that not only stands the test of time but responds to it. Ranger is a full-grain, leather-finished with only aniline dyes and wax. Tumbling the hides burnishes the natural grain structure which provides great depth to the twelve standard colors, highlighting the true nature of the leather. **Suite G158, [edelmanleather.com](http://edelmanleather.com)**

#### MAHARAM ▲

Maharam introduces its latest product initiative: leather. Marharam has designed eight styles sourced exclusively in Italy, with the exception of a true suede from Spain. Guided by Maharam's material expertise, the collection is minimally treated and celebrates the beauty of leather returned to a more natural state. Color palettes of great depth and specificity complement this approach. Developed exclusively by the Maharam Design Studio, whose color direction prioritizes an independent response to the material qualities of the product at hand, Maharam leather is available in one hundred unique shades. **Suite G152, maharam.com**

#### PINDLER ▶

Pindler is proud to introduce the new Exclusive Seaside Collection. The Seaside Collection is an indoor/outdoor grouping of simple yet sophisticated coastal inspired solids, stripes and patterns. All patterns are woven in Sunbrella 100% solution-dyed all-weather acrylic, and designed by world-renowned designer Richard Frinier. The Seaside Collection is named for the many iconic and romantic coastal destinations and locales around the world that served as inspiration for these distinctively beautiful and exceptionally executed performance textiles. **Suite B530, pindler.com**

#### KNEEDLER|FAUCHÈRE

Kneeder|Fauchère proudly welcomes Zak + Fox to our showroom family. Zak Profera's latest collection, Timbuktu, includes ten new patterns inspired by his most recent desert travel expedition. Shown is Expedition, which ventures into new territory, pairing close-set stripes with broad spacing at unexpected intervals. In woven linen, this pattern is a modern take on the well-traveled history of gingham, pulling inspiration from pattern closely associated with colonial India, Malaysia, Japan, Britain and beyond. As founder of this much buzzed about line, Zak's collections are charged with an ancient and layered narrative that spark an aesthetic that is classic, contemporary, and ever-shifting. **Suite B600, kneederfauchere.com**

## SAMUEL & SONS

Lori Weitzner is pleased to introduce the Regatta Collection for Samuel & Sons, Lori's first indoor/outdoor collection of performance trims. Named after the carefree pastime of boat racing, the Regatta Collection celebrates being outdoors and the subtle beauty found in nature. Made using heathered yarns and ombré techniques, the cords and tapes each contain numerous hues that reflect the ever-shifting colors seen in all facets of the natural world. **Suite B609, [samuelandsons.com](http://samuelandsons.com)**

#### SCHUMACHER/PATTERSON FLYNN MARTIN

Bonnee Sharp of Studio Bon has been making beautiful hand-printed textiles since the 1990s. With this collection we have taken the same happy prints you know and love and made them suitable for outdoor use. The result? A collection chock full of graphic designs in a variety of scales and coordinated colorways that are meant to be mixed and matched. Stop by our showroom to see them today! **Suite B489, [fschumacher.com](http://fschumacher.com)**

#### SUMMIT FURNITURE

For 38 years, Summit Furniture has outfitted the likes of private estates, elegant far-flung villas and yachts, with timeless hand-crafted teak chairs, chaises, sofas and dining tables. Now, the Monterey, California-based company is adding another layer to the collection: fabric. The launch of Summit Endurance Fabrics includes fade-proof, graphic-printed pattern Mazie, recalling the subtle, puzzle-like paths of a maze with a wink to Midcentury design. It's made of 100-percent solution-dyed acrylic and intended for indoor or outdoor use. Available in 14 designs and up to five colorways. **Suite B135, [summitfurniture.com](http://summitfurniture.com)**

#### HOLLAND & SHERRY

In 2016, Holland & Sherry celebrated 180 years in textiles: a long history defined by our commitment to quality and classic design. Through our interiors division, our collection has evolved to include 21st century adaptations of the warp and weft, as well as expanding into materials for every surface. The patterns, processes and unique history of these collections stay true to their origin while reaching toward a fresh new aesthetic. Modern Legacy is our tribute to the classics, reimagined for fabric, rugs, wall covering, and embroidery. **Suite B305, [interiors.hollandandsherry.com](http://interiors.hollandandsherry.com)**

# FINISHING TOUCHES

At PDC, you'll discover the details to a curated space are found throughout our numerous showrooms. These accent pieces, from custom lighting to hand-crafted casegoods, complete the finished look that transforms a house into a home.

THOMAS LAVIN

TROSCAN Collection

Thomas Lavin invites you to experience Troscan – a collection of furniture hand-made in America and just launched at the Thomas Lavin showrooms. Committed to unadorned simplicity, the Troscan Collection strives to produce furnishings that are authentically original — sound and pleasing to the eye and body, pieces that are not everyday, yet make sense every day.

Suite B309/B310, [thomaslavin.com](http://thomaslavin.com)

#### JEAN DE MERRY

The Roche wall sconce by Jean de Merry combines bronze, rock crystal, and gold leaf for a sinuous design. **Suite B653, [jeandemerry.com](http://jeandemerry.com)**

#### MICHAEL TAYLOR COLLECTIONS

Expect the unexpected. Michael Taylor Collections is pleased to announce the launch of its new line, Taylor. Premiering this Spring, the collection offers 18 new contemporary furnishing designs with a refined, modern edge. Clean lines, sophisticated material pairings, and the uncompromising bench-made quality of Michael Taylor Designs come together in a fresh, accessible collection designed for today's lifestyle.

**Suite B504, [michaeltaylorcollections.com](http://michaeltaylorcollections.com)**

#### REAGAN HAYES

Reagan Hayes is pleased to introduce the Vincent Accent Table. Five sides, five angles, five finishes. Vincent is a contradiction of excessive precision and haphazard proportions; a freshly cut gem from an indecisive jeweler. Vincent shines in any combination of finishes from the subtle to the sensational.

**Suite B300, [reaganhayes.com](http://reaganhayes.com)**

## ARMANI CASA

Armani Casa's new limited edition of the Club Cocktail Cabinet, released in a series of only 50 numbered and signed pieces, is completely hand-made. Presented in Canaletto walnut, it features a structure in pearl gold technical fabric and frontal doors in lacquer with hand painted "Oceano" motif. **Suite G170, armanicasa.com**

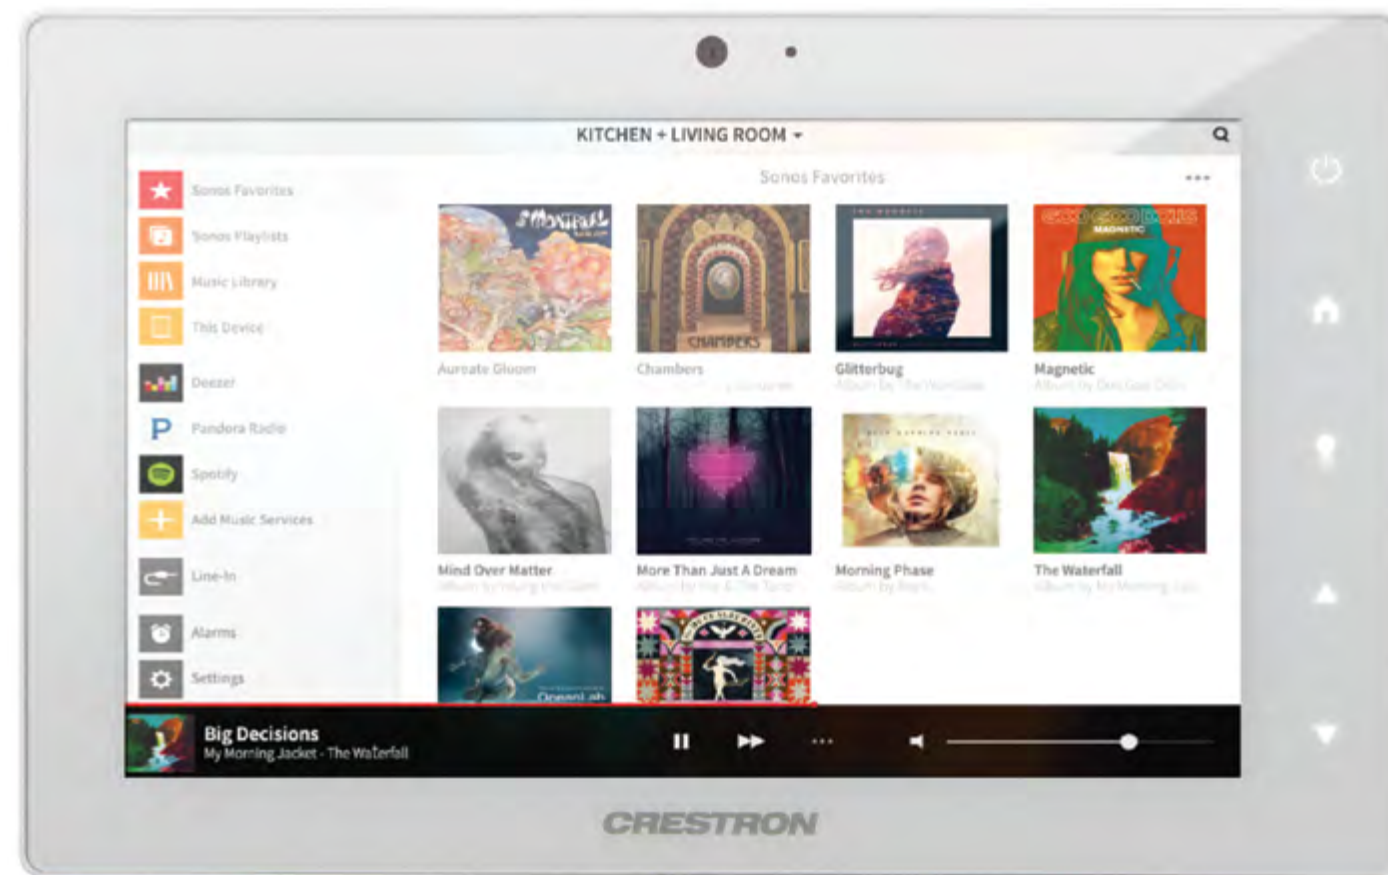

## QUINTUS

Quintus is pleased to present the Bracelet Chandelier by Studio Bel Vetro. Hand-blown in Healdsburg, California, this stunning new design can be customized to complement your exact requirements. Artisan-owned and artisan-made, right here in California! **Suite 519, quintushome.com**

## CRESTRON

Stroheim and Dana Gibson collaborate this season with Crypton Home for a luxury performance upholstery collection. Featuring 26 playful patterns and textures in Dana's signature color combinations, these fabrics are engineered with Crypton technology creating heavy-duty durable, stain resistant fabrics that are also luxuriously soft, rich and beautiful; familyfriendly and perfectly suited for everyday living. See and feel for yourself why Dana Gibson Crypton Home is the ultimate performance fabric collection for your luxurious interiors! **Suite G288, crestronshowroom.com**
